

Smith & Western

Having used Taylor equipment for over 10 years now, we have been both impressed and delighted with the machines and the high level of service provided by Taylor UK. When we open new sites, we put equipment purchase out to tender with at least 3 companies, however when it comes to ice cream, thick shake machines and cream whippers, we do not adopt this policy, as we know we have the best equipment that is both proven and tested.

Craig Thomson (Manager)

Name: Smith & Western
Area: Sussex
Business Type: Restaurant
Equipment: Taylor 428 / FlavorBurst™
Menu: Shakes
Equipment
Installation Date: January 2008

Shakes
