

Berties Diner

The brand name and reputation of the Taylor Company was a major factor in the purchase of our soft ice cream machine. The professional way that we were dealt with was outstanding and the reliability of the equipment and the Company as a whole has made our investment worthwhile.

Our Taylor machine has been fantastic, and the after sales is second to none. We are so pleased with Taylor's that we will be adding additional pieces of equipment from their range to our business.

Robert Lacey
