

Stanwell School

Stanwell School in Penarth, South Wales is a very 'pace setting school' with crisps, chocolates and high calorie treats off the menu, they needed something healthy and new to keep the students happy and away from the local convenience stores - Frozen Yogurt was the answer!

Frozen Yogurt is the perfect healthy treat with the appeal of ice cream whilst maintaining the health guidelines set out by the National Welsh Assembly. Taylor UK was the obvious choice; their reputation and service backup boosted our confidence.
