

South Street Ice Cream Ltd

Our old ice cream display cabinet broke and we were forced to source an alternative, after contacting a number of companies who rent cabinets, we ended up talking to Taylor UK.

The Taylor sales manager came to visit us at our café and after a well informed discussion, we were happy with the advice which we were given and decided to buy our own ISA Millennium cabinet instead of renting one.

Our ice cream sales have actually increased now our product is displayed in such an attractive manner.
