

Filling Station

We looked at the competition and decided to purchase from Taylor UK as they have a great reputation within the industry. We were very pleased with our decision to purchase a TurboChef C3, the speed and quality of the oven is far superior to the previous machine which we used.

It was essential that we purchased reliable equipment due to the demanding nature of our business, it has to keep up with high levels of sales - FAST!

Amandeep Hallet - Owner

Name: Filling Station
