

Oowee Diner

When we opened our first site, shakes were something which we knew we had to offer. However, most of the regular methods of creating shakes were far too time consuming for us to consider... Eventually we made an enquiry with Taylor UK to find a solution which led us to the Taylor 430 shake machine. The 430 has allowed us to have a base mix on tap which we can then flavour as we need for different recipes.]

Charlie Watson - Director

Name: Oowee Diner
 Area: Bristol
 Type: Burger Restaurant
 Equipment: Taylor 430
 Menu: Thick Shakes
 Equipment
 Installation Date: May 2017
