### Optional extras:

- Remote refrigeration installation (call for details)
- Custom RAL panel colours (call for details)
- Front & side panel colours - Clay Corian™  
Pearl Gray Corian™  
Bisque Corian™

### Features:

- ◆ Diva is the new exponent of the elegance by ISA; a perfect balance between design, aesthetics and functionality that enhances the food appeal of the product and gives a touch of charm to the environment, thanks to the volumes, that fit together in a harmonious way, the wide transparent surfaces of the glass frame (without front pillars and with lateral pillars that have reduced thickness) and thanks to the sober and refined nuances of the front and side panels.
- ◆ Diva is equipped with on-board or remote latest generation condenser with double ventilation refrigeration system and inversion defrost cycle. The glass frame with a single glass and laminated sides allow to keep a good balance between performance and aesthetics.
- ◆ The temperature control is adjusted by a control unit and by an anti-fog control system.

**ENERGY SAVING**  
LED lights + EC fan motor

**REFRIGERATION**  
Ventilated

**DEFROST**  
Off cycle

**REFRIGERANT**  
R290

**INSTALLATION**  
Plug-In / Remote (optional)

**TEMPERATURE**  
+1 / +10 °C
