CASADIO UNDICI DT2

CASADIO UNDICI DT1

CASADIO UNDICI DT2 COMPACT

Features:

Undici is a compact, elegant, versatile machine that's easy to use, adjust and maintain. UNDICI is made of steel and aluminium. It has a fixed nozzle thermosiphon system that's adaptable and high performing, guaranteeing excellent results in the cup.

The mechanical button pad is in metal and lies flush with the machine. It's user-friendly and precise, thanks to the LED lights.

- Fixed-nozzle thermosiphon system that's adaptable and high performing, guaranteeing excellent results in the cup.
- UNDICI is made of steel and aluminium to guarantee the best in robustness and reliability.
- UNDICI can be personalised thanks to the new, mechanical button pad with LEDs that make it user-friendly and precise.
- Stainless steel steam wand.
- Each group is equipped with four dosing selections and one continuous delivery.
- Stainless steel hot water dispenser (metered - selections).
- Graphic display with easy and ergonomic push-button programming.
- Electric cup warmer.
